

Cen-Pe-Co Lubricants and Columbia Paint and Roof Coatings. They also are a major force behind the Great Lakes Classic NATPA event held in October.

While the three men on this team all work together to make their team a success, they are quick to thank those who have helped them along the way. Among those to whom gratitude extended include Kathy, the late wife of Tony and mother of Charlie and Nick; Charlie's wife Barb and daughters

Madison 5 and Taylor 2; their employees who make it possible for them to go pulling, and all of their fellow competitors for help and support. The fans who support the events, the promoters who put on the events, the NTPA, NATPA, TTPA and EMTPA for hosting the events are also very important to them. They would like to thank Lemke Brothers Machine, Slama Enterprises, St. Clair Engine, Fair Valley Performance, Leadfoot Express Tire Cutting, Force Classics and Restoration for their help on the tractors.

The Capozzo family is also very aware of the power of the internet.
